

K2 DIAMOND

Whats newz

History proves that a great design equals great performance & long life...

Introducing K2 DIAMOND's

"NEW"

ttowerseg

Diamond Blades

The unique tall segment design together with 3 different grades and 5 different bond combinations allow **ttowerseg** blades to cut concrete with excellent speed, plus extended life, making **ttowerseg** blades perfect for most slab saws.

K2 DIAMOND

What's Newz

ttowerseg *With*
diamond blades *Silent Cores*

Field tested and field proven, the new
ttowerseg blades provide:

Excellent Cutting Speed on all slab saws.

Extended Life.

**Extremely Effective Performance on
electric and lower hp slab saws.**

**And now, due to the successful performance of the
ttowerseg blades, we're expanding the application
coverage by offering a silent core to reduce the decibel
levels for all your indoor sawing applications.**
