widening,
K2's TAZ joint
blades are the Pro
Cutters choice!**

What's Newz

K2's Tazmanian Devil joint blades are engineered and designed to be the most efficient joint cleanout & widening blades available.

The unique designs allows for the joint sealant material to be removed at a high rate, while simultaneously widening the joint for proper resealing.

The 'TAZ' blades come in a variety of specifications to insure the absolute correct cutting speed and life for your particular aggregate and conditions.
