

# ***What's Newz for hard rock***

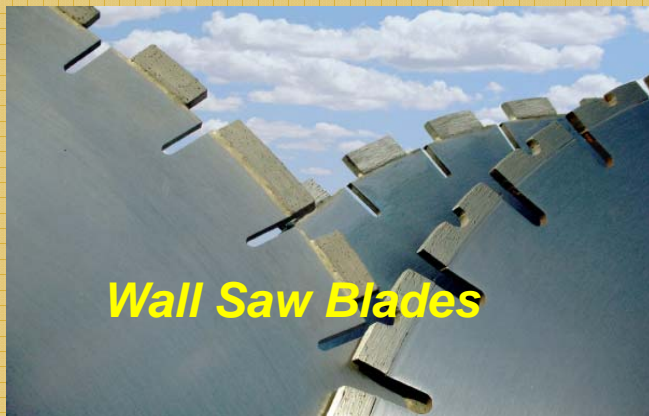

**Cured Concrete Blades**

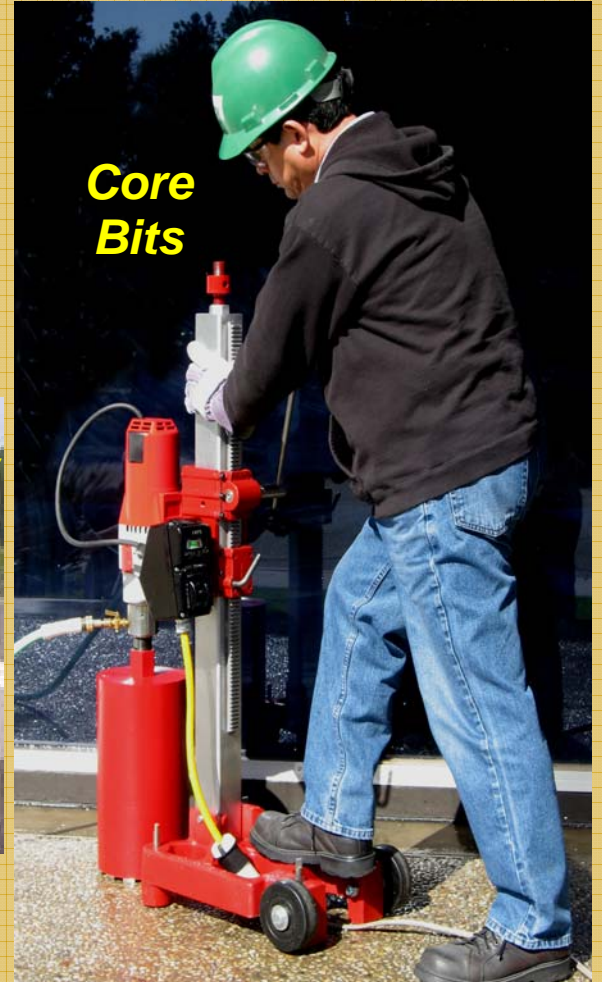

**Asphalt Blades**

**Hand Saw  
Blades**

**Wall Saw Blades**

**Core  
Bits**

**K2 DIAMOND** is a USA owned, USA located diamond tool manufacturer, dedicated to providing top performing diamond blades, bits and wire to pro cutting contractors everywhere.

We are very happy to announce that after many years of development, we now have a family of diamond blades and bits that really work in the extreme hard rock areas of the USA.

**These Work! You just have to try them to believe!**

# ***What's Newz for hard rock***

***We left you alone until we got it right!***

**It's taken over 20 years of testing to get it right and now you get the benefits!**
