What's Newz

Trust Experience!

When pro cutters say K2 makes the best wall saw blades in the business, they say it because our experience goes back to some of the first wall saw blades made in this industry.

Introducing two “New Generation” designs, engineered to get the best performance from your hydraulic, hycycle or air wall saw. The “New” **Super Red Tower Seg** and **Super Red Pro 1** blades are great additions to our complete wall saw blade line. For all applications, configurations and budgets, trust K2.
