ULTRA SPIDER BACK

Ultra Spider Back With removable 2-piece splash cover.

Ultra Spider Back Engineered for stability from the inside out!

The heart of the Ultra Spider Back design is the totally redesigned spoke, that is engineered to direct the coolant to the inside of the bit tube for maximum effectiveness and the “re-enforced” spoke design utilizing support struts gives Ultra it’s strength and rigidity.

- ◆ **Patented Water Distribution System directs water to the insides of the tube for maximum effectiveness.**
- ◆ **Patented Heavy Duty Reinforced Struts / Two Piece Design for strength and reduced deflection.**
- ◆ **Patented Quick Assemble and Disassemble Design to allow quick and easy access to the inside of the tube.**
- ◆ **Patented Top Plate Water Protection Removable Cover eliminating slurry splash.**
- ◆ **Lighter Weight than traditional bolt on back end bits and Stronger than other spoke back bits.**
